# BIOGRAPHY

Nick Harvey is a DJ, Remixer & Producer from Zurich, Switzerland. Influenced by artists such as Peter Rauhofer, Johnny Vicious and Danny Tenaglia, Harvey began his DJing career in 1997 and played some of the largest gay dance parties in Switzerland, such as the Kitsch Party and Black Party (Volkshaus Zurich), True Colors (Gaskessel Bern) as well as regular gigs at clubs Aera (Zurich), Spider Galaxy (Zurich) and Supermarket (Zurich) in his early years.

In 2005, Harvey started producing & remixing after successfully receiving his diploma as an audio engineer. Having defined his own "sound", Nick has worked several years as a remix engineer and programmer for DJ Junior Vasquez in New York City. Nick's intense work soon led to official remixes for artists such as Katy Perry ("Firework"), Reina ("Forever"), Heather Small ("Moving On up") and Samantha Fox ("It's You"), just to name a few out of Harvey's extensive discography.

Throughout the years, Harvey has been remixing and collaborating on music projects with countless artists, including Chad Jack, DJ Paulo, Guy Scheiman, Inaya Day, Heather Leigh West (best known for her club hit "Drop A House"), Las Bibas From Vizcaya, Lectroluv, Tony Moran and many, many more. Besides his intense work as a remixer, producer & engineer, Nick has been DJing numerous gay circuit parties & clubs across Europe and has held a monthly residency at Zurich's Club Aaah! for over a decade.

Taking matters in his own hands, Nick has created his independent record label in 2020. Together with his business associate Scott Aviance in New York, Nick established Rejoin Records - a new home for Underground House & Tribal Dance Music.

The label focuses on quality dance music releases by LGBTQ+friends artists from all around the world. Rejoin Records has had numerous releases featuring artists such as Alain Jackinsky, Alan T, Alex Ramos, Cajjmere Wray, Joe Carrano, Little Eric, Lula, Qubiko, Robbie Rivera, Suzanne Palmer, and Tom Stephan, among others.

In 2022, Nick Harvey's remix for Guy Scheiman, Tony Moran & Suzanne Palmer's "Praise Up", his remix of Siegfried's track "Waiting" on Toolroom Trax and Harvey's own single "Work It Out" on Whore House Records are three major achievements that will remain notable milestones in his career for a considerable time to come. With his defining sound and his record label in place, Nick Harvey is ready to make his mark across the globe and steer the tribal sounds and anthems of New York towards the future.
