BIOGRAPHY

Nick Harvey is a DJ, Remixer & Producer from Zurich, Switzerland. Influenced by artists such as Peter Rauhofer, Johnny Vicious and Junior Vasquez, Harvey began his DJing career in 1997 and played some of the largest gay dance parties in Switzerland such as the Kitsch Party & Black Party (Volkshaus Zurich), True Colors (Gaskessel Bern) as well as regular gigs at clubs Aera (Zurich), Katakombe (Zurich) and Spider Galaxy (Zurich) in his early years.

In 2005, Harvey started producing & remixing after successfully receiving his diploma as an audio engineer at SAE institute. Having defined his own "sound", Nick has worked several years as a remix engineer and programmer for legendary DJ Junior Vasquez in New York City. In 2009, Nick founded his own record label, Nick Harvey Music, featuring artists such as Razor & Guido, Chad Jack, Ruben Vega, James Andersen, Cherie Lily, Heather Leigh West (well known for her hit "Drop A House") and many more. Besides his intense work as a remixer, producer, engineer & label owner, Nick has been DJing numerous gay circuit parties & clubs across Europe and has held a monthly residency at Zurich's Club Aaah! for over a decade until its closure in 2013.

After a hiatus from 2015 to 2019 where Harvey enjoyed some well-deserved time off, climbing mountains including the Matterhorn, Nick returns to the studio and surprises the gay dance scene with his private remixes of current dance songs. Harvey was welcomed back with open arms from all of his friends in music, and soon was busy working on new projects with artists such as DJ Paulo & Lula, Guy Scheiman & Inaya Day, Las Bibas From Vizcaya, Seth Breezy and Tony Moran.

Taking matters in his own hands, Nick teams up with his friend and partner Scott Aviance in New York creating a new home for Underground House & Tribal Dance Music with their new record label Rejoin Records. The label focuses on quality dance music releases by LGBTQ+ friends artists from all around the world. Since its establishment in November 2020, Rejoin Records has had numerous releases featuring artists such as Alain Jackinsky, Alex Ramos, Erik Elias, Joe Carrano, JRNY, Little Erik, Ritek, Suzanne Palmer, and Tom Stephan, among others.

With his defining sound and his new record label in place, Nick Harvey is ready to make his mark across the globe and steer the tribal sounds and anthems of New York towards the future.
